

IMAGE REQUEST PRICE SCHEDULES

The University of the Arts Libraries provides fee-based reproduction services for those needing digital image reproductions of items within the UArts Archives and Special Collections. Orders are to be submitted via email to the Archivist or Visual Resources & Special Collections Librarian, depending upon which department you are requesting images from. All digitization of materials from the collection are completed by library staff. We may contact you before processing your request in order to review the pricing and details of your order.

Pricing for reproductions follows. For uses other than non-profit academic or scholarly purposes (i.e., commercial use), use fees may also apply and will be negotiated. **Please review our Access & Use Policies, as well as our Permission to Publish form, for additional information regarding rights and responsibilities.**

Digital files will be provided in TIFF format for high-resolution requests unless otherwise specified. We do not provide physical copies. For turnaround time, please allow up to two weeks for each order. For orders requesting an excess of materials that have not already been scanned, please allow for additional time if necessary. Any orders needed in one week or less are deemed as Rush Orders. Rush service is dependent upon staff availability and rush fees will apply.

The University of the Arts Libraries reserves the right to refuse any reproduction request that might damage materials, or if, in their judgement, fulfillment of the request would involve violation of copyright law.

Reproduction fees are waived for University of the Arts faculty, staff, and students.

Please make checks out to "The University of the Arts Library" and mail to: The University of the Arts, University Libraries, 320 South Broad Street, Philadelphia, PA, 19102. For international orders, please contact the library for options.
